A new logo, new product lines and a bigger team

Equipe Solutions can offer you even better service, support and technical backup with the opening of an office in Perth and the appointment of new members to the Equipe Team. We now have specialists and experts in Internal Sales and order management and our team includes three of the most experienced and respected Laundry, Ware washing and Industrial Cleaning experts to help you with the right advice and technical know how to get the right dispensing, dosing or laundry solution to meet your needs.

In July we began the roll out of the new *LG Commercial Laundry Equipment* through our distribution network. LG will be the first Commercial Laundry range in Australia to be sold via a distribution network and it opens up the commercial laundry market to the janitorial, hospitality and industrial/mining supply sector. If you want to find out about an LG distribution opportunity please don't hesitate to call one of our sales team.

Part of our commitment to supporting our customers includes the warehousing of stock in Adelaide, Sydney, Brisbane, Melbourne & Perth to ensure rapid response and rapid delivery. No hassle dispensing and laundry solutions—Its what you want—Its what we do!
