Modular multiflat toilet tissue

This compact dispenser is excellent value and popular for smaller washrooms that are used infrequently, or by very few people. The sturdy design makes this dispenser just as durable as the bigger 'roll-holder' models, but it fits much smaller spaces. A good choice for small offices, restaurants and other workplaces.

Designed to be very quick and easy to refill, the model also has a 'refill window' for at-a-glance checking of tissue levels. Suits a wide variety of toilet tissue brands, and fits multiflat or bulk-pack papers.

- Ideal for workplaces or commercial washrooms that experience light use
